

Umwelt Magazin

Magazine for Decision Makers in Engineering
and Management

Media Information 2020

Brief Description

“UmweltMagazin” is aimed at industry, service and public sectors. The journal gives guidance on enhancing profitability by taking a holistic view of all company processes as well as taking legislation into account. By giving market overviews, featuring products and describing processes and systems, “UmweltMagazin” provides important information and suggests options for decision-makers.

Target Group

High level specialists and leading managers in industry, the service sector and local authorities. Specialists and managers involved with environmental issues as well as those responsible for environmental preservation across the whole spectrum of commercial activity.

Advertisers

Manufacturers, suppliers and service providers in the fields of waste recycling and disposal, sewage treatment, site decontamination, water and energy supply, maintenance of air purity and noise abatement, pumps and compressors as well as measurement and control systems.
